Senpai, that one is for passport photos.

That sounds nice. They take small pictures, right?

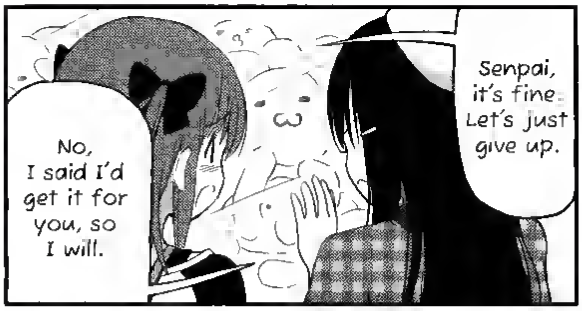
Her posture betrays her, though.



Senpai, it's fine. Let's just give up.
No, I said I'd get it for you, so I will.

Then let's make this the last try. I don't feel good seeing you spend so much money.
All right I promise I'll get it next time!

I'll warm you up with my body.
Is that okay?

I do as Yoriko-senpai tells me...
As always,

So we hugged in what Senpai thought was the most efficient body covering position, which turned out a bit lewd.
But being able to feel Senpai's entire body, I could not have felt any warmer.
